Lifeboat to Distribute Promise Technology

Agreement will help Promise Technology develop a strong partner community within their channel program

Eatontown, NJ (August 7, 2018) — Lifeboat Distribution, a subsidiary of Wayside Technology Group, Inc. (NASDAQ: WSTG) and international value-added distributor for virtualization, security, business continuity and emerging technologies, announced today a distribution agreement with Promise Technology.

Lifeboat will sell the entire Promise Technology portfolio, which ranges from easy-to-use consumer-based storage devices to battle-tested enterprise class solutions. The Promise Atlas product that will now be distributed exclusively through Lifeboat has Thunderbolt™ 3 or 10GbE models that offer outstanding flexibility and fit every need.

“The addition of Promise Technology will enable Lifeboat to offer a platform that we can cross-sell with some of our current technologies and address solutions for verticals such as IoT, Media, Surveillance, and traditional storage” said Dale Foster, EVP of Lifeboat Distribution.

Behrouz Zali, VP of Channel Sales & Marketing for US and Canada at Promise Technology added, “We are excited about our new relationship with Lifeboat and look forward to reaching a broad customer base together.”

Those interested in distribution services and solutions should contact Lifeboat by phone at +1.800.847.7078 (US), or +1.888.523.7777 (Canada), or by email at sales@lifeboatdistribution.com.
